Tak fordi du handler i vores by

Velkommen til Frederikshavn – vi sætter stor pris på besøget, og vil gerne give god service og godt værtskab.

Midtbyen tilbyder over 1500 p-pladser, hvor hovedparten heldigvis byder på gratis parkering i 3 timer.

Har du behov for at parkere i længere tid, hvis du både skal spise og handle, kan vi anbefale p-pladserne med ubegrænset tid, som ligger indenfor gåafstand. Ønsker du at parkere helt centralt, kan du betale via forskellige parkering-apps - se skilte.

Er du i tvivl, så spørg endelig om hjælp i vores medlemsbutikker.

Welcome to Frederikshavn – we truly appreciate your visit and like to provide great service and warm hospitality.

The city centre offers more than 1,500 parking spaces, and fortunately most of them provide free parking for 3 hours.

If you need to park for a longer period while planning to both dine and shop, we recommend parking areas with no time limit, all within walking distance.

If you prefer to park right in the centre, payment can be made using various parking apps – please see local signage..

If you are unsure, please feel free to ask for help in our member shops.
